The Club was purpose built approx 17 years ago.

It is set in it's own grounds with a large car park that will hold over 60 cars. It has separate bays for disabled badge holders .

Bars and Drinks

The club is not tied down to any particular Brewery and therefore can stock the most popular brands of Lagers and Beers. For example lagers, which range from Pure & Carling. Bitters from Boddingtons, Theakstons and Toby.

All of the bar drinks are generally much cheaper than the majority of Pubs in the area . There is also a fine selection of wines and spirits.

There are separate bars in the Function room, Games room and Lounge.

Bowling Green

The Club has it's own very popular Bowling Green. This section offers a whole host of tournaments playing both internal competitions and with clubs in various Bowling Leagues.

The Green is maintained to an exceptionally high standard. When playing in the evening on those darker nights it has double headed floodlights in each corner of the Green to ensure good quality vision.
